

Het volledige witte vlak mag worden gevuld met uw advertentie.

Voor logo's en tekst-elementen raden wij u aan, een marge van 5 mm aan te houden.

fout:

teksten&logo's binnen de stippel-lijn houden.

A yellow square with a dashed black border. Inside, a blue irregular shape representing a logo is placed such that it touches the dashed border. A red diagonal line is drawn across the square from the top-left to the bottom-right, indicating this is an incorrect placement.

goed:

teksten&logo's binnen de stippel-lijn houden.

A yellow square with a dashed black border. Inside, a blue irregular shape representing a logo is placed such that it is fully contained within the dashed border, leaving a clear margin. A green checkmark is drawn to the right of the square, indicating this is the correct placement.
